

Polestar Pilates Australia

Certificate IV in Pilates Matwork Instruction (91492NSW)

QUALIFICATION NAME

Certificate IV in Pilates Matwork Instruction

COURSE DURATION

Nominal duration of the Certificate IV in Pilates Matwork Instruction is 200 hours

QUALIFICATION LEVEL

The outcome of the Certificate IV in Pilates Matwork Instruction is as a **Pilates Matwork Instructor** of the highest calibre. Graduates will be well versed in Pilates principles, program design and exercise sequencing techniques and practice with emphasis on group dynamics for the Pilates Matwork. They will also acquire verbal, tactile and combined cueing practices to facilitate motor learning. Graduates will be competently about to work with apparently healthy clients in one-on-one and group settings.

Role/Function:	Pilates Matwork Instructor
AQF Level:	Level 4 (Certificate 4)
Industry Association (Peak Body):	Matwork Member

COURSE STRUCTURE

The following table outlines the units of competency that make up the Certificate IV in Pilates Matwork Instruction. This course contains only Core units and it is recommended that the units be completed in the following order. Please note that the Polestar Pilates unit names are also listed for ease of cross reference in the right column.

UNIT CODE	UNIT OF COMPETENCY	POLESTAR EQUIVALENT
PIPOST01	Plan and instruct pilates method programming for postural assessment and correction	PP – Polestar Principles of Movement.
HLTOHS300A	Contribute to OHS processes	M1 – Matwork Level 1
PIMAT01	Plan and instruct a Pilates Matwork class from foundation to basic level.	M2 – Matwork Level 2
PIMAT02	Plan and instruct a progressive Pilates Matwork class.	M3 – Matwork – small apparatus
PIMAT03	Plan and instruct an intermediate Pilates Matwork class.	
PISMA01	Instruct the Pilates studio basic to intermediate Small Apparatus repertoire.	OH&S – Occupational Health & Safety

Graduate with
CERTIFICATE IV IN PILATES MATWORK INSTRUCTION
Eligible for Direct Credit for these units if then enrolling in Diploma of Professional Pilates Instruction

COURSE PRE-REQUISITES

Minimum requirements for entry into this course are:

- Attainment of HSC or equivalent
- 30 hours of personal Pilates practice - either private or group classes (*to be completed preferably with a Polestar certified practitioner prior to course commencement*)
- Successfully completed HLTAP301A – Recognise healthy body systems in a health care context (or equivalent) attained through a recognised complementary health care college or RTO. This equates to one semester of basic anatomy/physiology or equivalent.

This course does not contain limitations on access and equity, however it reserves the right to refuse an application if there is reasonable evidence to suggest that the applicant is physically incapable of carrying out the necessary requirements of Pilates training practice.

COURSE ASSESSMENT

Certification requirements include: attending all of the course hours, completing reading and writing assignments and short quizzes, as well as specified number of observation, self-mastery, and assistant teaching hours as shown below. To track your hours and progress, a log book will be issued at the start of your course. Certification is granted upon successful completion of the log-book, and an 80% pass mark on each section (both Theory and Practical) of the final exam.

The delivery modes are made up of nominal (approximate) hours and are broken down as follows. These hours are aligned with The Pilates Alliance criteria for educational bodies.

Pre-Course	Lectures	Observation	Practice (Self-Mastery)	Apprentice Teaching
30	70	30	50	50

Lectures: Lecture hours include formal lecture/workshop face-to-face delivery, practical and written assessments and mandatory tutorial hours.

Observation: Observation is where the student observes a studio in action, and has their hours signed off by a certified practitioner (preferably Polestar qualified).

Self-Mastery (and Self-Directed): Participants practice the exercises learnt in the curriculum so as to master the repertoire. Self-mastery practice hours encompass self-study and self-mastery components both practical and theory. Students will have access to the training studio at specified hours to practice in small groups or by themselves. [It should be noted that the practical self-mastery hours may be a combination of matwork and studio sessions and are at an additional cost (usually student rate).] Self-mastery hours should make up at least 70% of total hours, with 30% being self-directed.

Apprentice Teaching: After you have completed your observation and have attained self mastery of the exercises, you will be expected to assist a senior instructor or Pilates practitioner (preferably Polestar qualified) within a Pilates Studio workplace in order to gain practical experience.

Individual needs can be catered to during assessment where possible, including:

- Adaptation for any injury/physical limitations
- Literacy or numeracy difficulties
- Oral assessment in place of written
- Use of larger print or another language if available
- Religious/traditional beliefs
- Allowance for medical conditions and medication

RECOGNITION OF PRIOR LEARNING (RPL) AND DIRECT CREDIT (DC)

Polestar Pilates Australia has a policy that recognises the skills and knowledge that a candidate has gained via other forms of study, formal training, self-tuition, work experience or life experience. Polestar Pilates Australia will formally recognise a candidate's existing level of skill and knowledge in the following two ways:

- Recognition of prior learning (RPL)
- Credit transfer (DC)

If you wish to apply for RPL or DC, please contact Polestar Pilates Australia to request an application form during the registration process. You will be required to show evidence of your qualification/statement of attainment/training/experience when applying.

Note: Polestar Pilates Australia will only consider applications for RPL or DC within four weeks of the course commencement.

TEXT BOOKS

As part of the training students will be required to purchase the following course textbooks (additional to course fees):

- *Anatomy of Movement*, Blandine Calais-Germain: Eastland Press 1993
- *The Complete Writings of Joseph H Pilates (Return To Life & Your Health)*, Joseph Pilates: Bain Bridge Books

The following books are recommended reading:

- *Dynamic Alignment Through Imagery*, Eric Franklin: Human Kinetics 1996
- *Energy Medicine, The Scientific Basis*, James L. Oschman: Churchill Livingstone, 2000 Chapters 1-4, 15
- *Motor Control: Theory and Practical Applications*, Anne Shumway-Cook, PhD: (Chapter 1 and 2)

Polestar has copies of these books, which can be ordered through our head office in Sydney.

STAFF COMPETENCIES

Educators with Polestar Pilates Australia are of the highest calibre in the world, holding either a relevant Degree such as Physiotherapy, Osteopathy, or the like. Educators must have at least 5 years teaching experience and go through a dedicated process of mentoring and assisting students before they can become an Educator.

All Educators with Polestar Pilates Australia are required to obtain the following:

- Certificate IV in Pilates Instruction, or higher.
- Certificate IV in Training and Assessment Training Package (TAA04) or equivalent as outlined in the 'AQTF 2007 Users Guide to the Essential Standards for Registration'.
- Current membership of relevant professional/industry association (e.g. Pilates Alliance Australasia)
- Maintain professional development credits, insurance and first aid training.
- Attend annual Educator in-house training and any international conference with Polestar Pilates international. Induction program to be cognisant of AQTF standards and the responsibilities and expectations of teaching in the VET system and its relationship to the Pilates education programs.

It is also recommended that staff have associated learning experience/skills/qualifications such as: dance, sports science, physiotherapy.

POLESTAR PILATES UNIT DESCRIPTIONS

MAT SERIES

Polestar Pilates fitness programs provide instruction in Pilates principles, techniques and practice with emphasis on group dynamics for Mat or Allegro Reformer. The Fitness Program is designed for personal trainers and group exercise instructors. It is also appropriate for instructors of movement arts such as dance, yoga, and Tai Chi, as well as practitioners of somatic movement such as Feldenkrais® and Alexander® Techniques. These programmes enable fitness professionals to incorporate Polestar Pilates-evolved exercises into their training regimens.

The Mat Series is comprised of four two-day courses. The courses must be taken in the following order: **PP, M1, M2, M3.**

PP - Polestar Pilates Principles of Movement (2-days, 16 hours)

This non-apparatus course introduces current research in movement science, motor learning, bioenergetics, and communication science to instructional practice through six basic movement principles which are used throughout the Polestar Pilates curriculum. Tactile, verbal and imagery cues are integrated with the Pilates exercises. This course introduces Polestar Pilates Screening™, which includes postural evaluation and functional testing, to prepare you to properly design a plan to implement Pilates exercises for clients. This unique component significantly enhances decision-making skills as a Pilates practitioner.

For those participants undertaking more than one series, it is only required to complete PP once.

M1 to M3 (three 2-day courses of 16 hours per course)

Polestar Pilates Mat program provides instruction in Pilates principles, techniques and practice with emphasis on group dynamics for the Pilates Mat. After the Pilates Principles of Movement course (PP), the Pilates Mat program continues with three 2-day courses scheduled approximately one month apart. The time between courses allows you to practice and become comfortable with the material before continuing to the next course.

The principles learned in PP will be applied throughout the three courses and you will learn the following:

- Mat exercises for beginning through advanced levels
- Dynamics of group training
- Program design and exercise sequencing
- Advanced cueing skills
- Exercise modifications for a variety of populations
- Use of small props* (foam rollers, Ultra-Fit Circle®, springs, gym balls, rotating discs and balance boards)

OH&S (HLTOHS300A – Contribute to OHS Processes - 6 hour course)

This unit covers general OH&S requirements according to legislation and codes of practice, including duties and responsibilities for all parties under the general duty of care.

At the completion of the unit you will be able to:

- Follow the organisation procedures for hazard identification and risk control.
- Contribute to OH&S in the workplace.
- Utilise and implement strategies as directed to prevent infection in the workplace.
- Utilise strategies to prevent work overload.
- Work in a safe manner.
- Utilise and implement strategies to prevent manual handling injuries.
